VOL. XVI,

SHINER, LAVACA COUNTY, TEXAS, THURSDAY MORNING, SEPTEMBER 24, 1908. NO. 9.

## The Twentieth Century Club.

Miss Hille Wendland, assisted by her sister, Mrs. Thulmeyer, was at home to her many friends and the members of the Twentieth Century Club, and tendered them one of the most pleasant social affairs of the season.

Quite a number of members and guests ventured out into the damp and chilly atmosphere to enjoy the afternoon, and were met at the door leading into the reception hall, with a pleasant smile and hearty welcome, by the hostess. One soon forgot the unpleasant weather out doors as everything was so very pleasant indoors, with its decorations of beautiful palms ferns and a number of other pot plants too numerous to mention, which made everything appear as though beautiful Spring was at hand instead of a chilly Autumn day.

The home never looked more beautiful in these simple but tasty decorations, at any other time than on this delightful occasion.

When all guests had arrived Miss Hille passed to each and everyone a pencil and card with a number of words written thereon, with the letters mixed up. Each word of mixed letters represented or spelled some article or piece of furniture in the household, which were to be arranged in such a manner so as to correctly spell same.

After a final decision the hostess announced that Mrs. C. B. Welhausen had written the most correct number and was presented with a very pretty glass fobbing pin, while the consolation fell to the lot of Miss Sophie Ameler, and she was awarded a clothes brush with a little note attached, same asking her to "Brush-up."

Refreshments, consisting of iced tea sandwiches, cake and ice-cream were served to the guests in the dining room, and which was enjoyed a great deal and was heartily partaken of.

Several choice musical selections on the piano were admirably rendered and were enjoyed immensely by all lovers of music.

When leave time was at hand and it was growing late each thanked Miss Hille for giving them such a pleasant afternoon and turned their way homeward to think over again and again what a good time was had.

Those present at this delightful affair were: Mesdames Nave, Moecke, R. G. Flato, Dunn, C. B. Welhausen, S. A. Thulmeyer, Joe Hughes, Francis Giltard, Leo Ganert, Louisa Chovanetz, and Misses Sophie Ameler, Tommy and Birdie Thornton, Mae Hughes, Tillie Walters, Lizzie Kyle, and Ella Richter.
